# Recipe of the Month: Creamsicle Cheesecake

(Allrecipes.com)

## Ingredients:

- 2 (8 ounce) packages cream cheese, softened
- ½ cup white sugar
- 2 eggs
- ¾ cup sour cream
- 1 teaspoon vanilla extract
- 1 teaspoon orange extract
- 2 drops yellow food coloring
- 1 drop red food coloring
- 1 (9 inch) prepared graham cracker crust

## Directions:

1. Preheat oven to 350 degrees F (175 degrees C).
2. Beat cream cheese and sugar together in a large bowl with an electric mixer until light and fluffy; add eggs and beat well. Beat sour cream and vanilla extract into cream cheese mixture until batter is smooth.
3. Transfer one cup of the cream cheese mixture to a small bowl and stir in orange extract, yellow food coloring, and red food coloring until batter is smooth and orange.
4. Pour uncolored batter into prepared graham cracker crust. Drop spoonfuls of orange batter over the top of the uncolored batter and run a knife through the orange batter to create a marbled effect.
5. Bake in the preheated oven until the edges are firm and center is slightly loose, 30 to 35 minutes. Cool at room temperature for 1 hour. Cover cheesecake with plastic wrap and chill in the refrigerator, 8 hours to overnight.

## BUSINESS OF THE MONTH

## Streaming is as Easy as 1, 2, 3, 4

### 1. Choose Your Ideal Internet Speed For Streaming

Selecting the optimal bandwidth for your household is the first step to streaming.

### 2. Review Your Streaming Service Options

There are many on-demand and live TV streaming services out there. We'll help you choose what's right for you.

### 3. Find, Purchase, and Connect the Right Device

If you don't have a smart TV, you'll need a separate streaming device to access the content. Get guidance here.

### 4. Sign Up for Streaming Services

Let the fun begin! Sign up for a streaming service or two ... or three. Most require only a 30-day commitment.

### StreamNow is Your Guide to Streaming TV

This StreamNow platform will help you navigate through the many streaming options currently available in the marketplace. Surry Communications wants you to enjoy a great streaming experience, no matter which streaming device and services you choose.
