Great Features Available

Plenty of Choices

You get a crystal clear digital picture and amazing sound quality. We offer more than 225 channels including all the popular networks you expect, music channels and premium movie channels.

Watch TV Everywhere (WTV)

This is a FREE service to all Surry TV customers. WTV works anywhere you can receive an Internet signal: in your house, at work, at the mall, at a hotel, the airport, a vacation home - anywhere! WTV is TV programs that are available on something other than a TV set. That means your PC, laptop, Ipad, Iphone or Android. Get started by visiting surry.net

Parental Controls

Block programs by ratings or hide channels from appearing. Blocked content can be viewed by entering a PIN.

Whole Home DVR

Whole Home DVR allows you to start a program in one room and finish it in another, pause and re-wind live TV, watch and schedule recordings from any set-top box, pause, re-wind or fast-forward recorded programs. Service includes DVR.
